# SEVEN WONDERS

All the amazing and mesmerizing wonders of the world was done by our ancient generation and these wonders remind us that they were intelligent, capable and hard working that all these wonders were architected without any modern technology nor machines.

## QUIZZICLE

**WHICH IS THE FIRST WONDER  
AMONG ALL THE 7 WONDERS?**

It's very important to know about the great and breath-taking works done by our ancient generation. So, in order to let all the students know about the 7 wonders of the world our teachers Vidhya Rani mam and Christina mam came up with this idea of introducing these wonders in school assembly by giving speech regarding each of the wonders of the world by 9th and 10th graders and also the same information were sent in all the groups and was also said that inter class test would be conducted at the end of the month.

**THE WORLD'S SEVEN WONDERS STAND THE  
TEST OF TIME: TRUTH, LOVE, JOY, FAITH,  
PEACE, VIRTUE, AND WISDOM.**

# INVESTITURE CEREMONY

1ST July 2023

We are called upon to be leaders, and to do our very best. We welcome those of you who want to learn more about it- Sir. D.T Srinivasa

The election was a success where the leaders were elected through their eligibilities. After the election, it was time for the leaders to receive their badges as a sign of recognition. On 1-7-2023, the Investiture ceremony was held in a splendid manner, our secretary Srinivasa sir was invited as the chief guest to honour the leaders with their badges and to give them his best wishes. The program had an amazing start with the national Anthem which was sung by the little proud citizen of India with his tiny voice, filled with patriotic love in his heart

"A LEADER IS NOT A BOSS, BUT A COACH!"

"THE BEST LEADERS ARE LISTENERS."

**DID YOU KNOW?**  
MACHIAVELLI INTRODUCED THE CONCEPT OF LEADERSHIP.

The leaders performed slow march with pride and salinity and ready to receive their badges, by the secretary Srinivasa sir. They took an oath promising their responsibilities towards the school. Later on, our secretary delivered an empowering speech about morals and ethics. Finally, the program came to an end with the assurance of the School Captain, School sports Captain and Vice cultural captain towards their responsibilities to the school through their speeches on behalf of the entire school council.

"Leadership Is Not A Position Or A Title, It Is Action And Example."

# DOCTOR'S DAY

**A doctor's duty never ends,  
neither does the love.**

Doctor's day is celebrated every year on **1/7/2023**. The death of the renowned politician, physician, and freedom fighter **DR. BIDHAN CHANDRA ROY** is celebrated as Doctor's Day. This day serves to show gratitude to all those doctors who have selflessly aided us in our time of need and tirelessly worked for the health of their patient's. Doctors are an essential part of the healthcare system, and they play a crucial role in diagnosing, treating, and preventing illnesses. SEAGI celebrated this day by conducting eye checks and blood donation camps, students become more aware of the importance of regular health check-ups and the significance of donating blood to save lives and here by are tiny Kinder Garten students was ready to spread the awareness among all positively

HOURS OF TRAINING

# TRITHIYA RAJAPURUSKAR

Scouts and Guides, also known as Scouting and Guiding, are global youth movements that aim to instill positive values, practical skills, and leadership qualities in young individuals. These movements focus on personal development, outdoor activities, community service, and fostering a sense of responsibility and citizenship. Scouts and Guides participate in various activities such as camping, hiking, community service projects, learning first aid, and earning badges to signify their achievements in different areas. On 15-06-2023, 16-06-2023 and 17-06-2023 The scouts and guide students were given the third stage progression certificate, known as the trithiya Rajapuruskar after their camp in the assembly

The scouts and guide students were given the third stage progression certificate, known as the trithiya Rajapuruskar after their camp in the assembly

"Tritiya Rajapuruskar" is the third stage of progression in the Scouts and Guides in India. Students usually go through a series of training, learning practical skills, community service, and leadership activities.

# Chairperson's Birthday Celebration

It is always said by our ancestors to thank people who have done good to us thanking anyone doesn't only include the word 'THANK YOU' but also many other good things we can do for them. Such as 'BIRTHDAY CELEBRATION'. Our management held a grand celebration for our chairperson Manjula mam, wife of late Krishnappa sir on 10/07/2023. The birthday celebration was initiated by welcoming the guests with the band beats in a very rhythmic and melodious way. THE C.E.O Poornima mam and secretary sir D.T Srinivasa sir and the young trustee of SEA group of institutions miss Vinisha mam were the chief guest. The program was continued by a classical Bharatanatyam performance by the state board students. Mrs. Manjula Krishnappa chairperson SEAGI expressed her love towards Mrs. Poornima mam with the audience. The cake cutting ceremony gave an end to the programme

TO,  
MRS. MANJULA

Your leadership and dedication have made our school a better place, and we are grateful for your guidance and support. Thank you for everything you do for us. Your commitment to education and our well-being has inspired us to strive for excellence.

# EYE CHECKUP

Healthcare provides numerous benefits to individuals and society as a whole. Firstly, healthcare promotes disease prevention and early detection, it also helps the individuals maintain good health and reduces the risk of severe illnesses. "The eye is the jewel of the body" is well said by someone and is indeed true. Vision is the priceless gift from God, a blessing to enjoy the beauty of the world. We are not aware of it's important as long as our vision is perfect. Eyes are one of the most major sense organ and which helps us to visually perceive this magnificent world. It's mandatory to have an eye checkup twice in a year to know the power of our vision. It's our pleasure that our school management has organized an eye checkup for all the students. We would like to thank our Beloved Principal for arranging the eye checkup on 10/07/2023.

**DID YOU KNOW?**

# World population day

11th July 2023

Population's increasing  
incredibly day by day

A large family comes with  
large problems

World population is observed on 11th July every year. The importance of this day is to aware the public about the over population in the world wide. The over population cause many hurdle for the government as well as the common people. Over population leads to more poverty, Migration, Environmental degradation, overburdened infrastructure and many other problems. The current population of the world is 7.9 billion. India stands for the most populated country in the world 1.42 billions. The students of SEA on this day were asked to present a chart on the over growing population, by doing so the students will be aware of the population growth and how problematic it is. A speech about the same was also presented in the auditorium.

## DID YOU KNOW?

The current population of World in  
2023 is 8.2 billions

# PAPER BAG DAY

In order to increase the awareness of the advantages of using eco friendly paper, this day is celebrated every year on 12th July. Paper bags are bio degradable, recyclable and eco friendly. Even our school did celebrate this day. All the students were asked to bring their lunch in paper bags and also a small skit was performed by class 2 and they were dressed with paper bag costume. So everyone kindly use paper bags and keep the environment clean.

HELPING NATURE, ONE  
BAG AT A TIME.

IF YOU WANT TO DO SOMETHING  
DRASTIC, THROW OUT ALL THE  
PLASTIC. START USING PAPER BAG

## QUIZZICLE

WHEN WAS PAPER INVENTED?

# YELLOW DAY

Yellow is often associated with various meanings across cultures. It can symbolize happiness, optimism, joy, sunshine, warmth, and enlightenment. On the other hand, it might also be connected with caution or warning

How lovely yellow is,  
it stands for the  
Sun

**QUIZZICLE**  
WHERE DID THE WORD  
YELLOW ORIGINATE FROM?

Yellow is the color of optimism,glory,sunshine and happiness.It stands for freshness, positivity, intellect and joy.the motive of celebrating yellow day was to make the students aware of the color yellow ,its significance and to develop the fine motive skill in the students

HAPPINESS

CREATIVITY

ENERGIZING

OPTIMISM

The "Yellow Day" on would be remembered not just for the fun activities or the bright decorations but for the genuine and heartfelt happiness that the kindergarten students had brought into each other's lives, reminding everyone that spreading joy could be as simple as wearing a yellow outfit and sharing a sincere smile.

The cheerful ambiance set the stage for a day. Ending the day with a positive smile is a great sign that the kindergarten students had a fulfilling and enjoyable day.

- "YELLOW IS RECOGNIZED AS THE HAPPIEST COLOUR IN THE WHOLE WORLD" -

# C.E.O MEETING

22nd July 2023

C.E.O meeting was held by the management on 22/07/23. The results of KG and elementary graders were revealed. The same day was also the time to celebrate yellow day, so all the parents were asked to wear yellow color, the chief guest Poornima mam also accepted our request of wearing yellow clothes.

She also gave an impressive speech and said the facts about current mindset of children and how the upbringing of a child must be done. Feedback sheets were also given to all the parents so that the administration know what are the personal opinions of parents about the school.

# MAGAZINE LAUNCH

Magazine provides information that maybe more in depth but less timely than that of a newspaper. The main purpose of creating magazine in our school was to spread awareness to parents regarding our school extra curricular activities. Magazine is a great way to improve the writing and designing skills of the students. Magazine also brings up co ordination between the students.

A 9th grader came up with the idea of the Monthly magazine and tried to implement it by creating a group of 10. The Magazine was named Ignite, by the main editor. One part of the group concentrated on designing and the other on writing, with the help of the teachers and the principal the magazine was completed and released on 22-07-2023 by the C.E.O Mrs. Poornima.

# KARGIL DIVAS

26th July 2023

Kargil Vijay Diwas, observed on July 26th each year, is a day to remember and thank the Indian armed forces for their bravery during the Kargil War between India and Pakistan in 1999. It began on May 3, in the Kargil district of Jammu and Kashmir, India, and ended on July 26, 1999. The war resulted in the death of 527 Indian soldiers and 453 Pakistani soldiers. We honor their sacrifice and dedication in defending our nation's borders, reminding us of the freedom they fought for and won.

Our school educates students about Kargil Vijay Diwas and the significance of the day. Learning about the struggles and triumphs of our nation's history can be a great source of inspiration and act as a sense of patriotism and appreciation for the sacrifices made by our soldiers. It's essential to understand the importance of democracy and the value of protecting our country's sovereignty, and commemorating Kargil Vijay Diwas

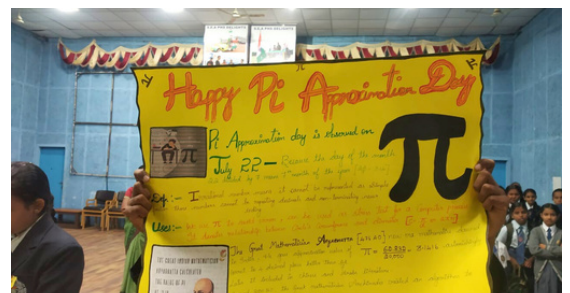

"Saluting Kargil Vijay Diwas, our brave hearts remembered."

# PI APPROXIMATION DAY

22nd July 2023

Pi approximation day is observed on 22nd July every year because the date 22/7 matches the approximation of Pi, the decimal value of Pi is 3.14. The concept of Pi is ancient and is 4000 years old, the value of Pi was first calculated by Archimedes. the value of Pi was also calculated by the renowned mathematician of India Aryabhata upto 5 decimal places, though it is not as precise as the modern value but it was indeed an achievement in the 5th century

Pi approximation day was observed in our school on 22nd July, wherein which the students of grade 9 provided few informative points on pi, its history, and its significance in mathematics in the assembly.

-"Exploring pi is like exploring the universe"-

# CLUSTER SPORTS COMPETITION

## KHO-KHO

Kho- kho is a traditional Indian sport, it dates back to the 19th century and is yet continued. Kho-kho is a physical game that involves 9 members. The students of SEA demonstrated their bond to this multiplayer game in the ITI ground.

The junior girls of S.E.A won the first match of Kho-Kho against Hilal school

SPORTS ARE A CRUCIAL PART OF A STUDENT'S GROWTH AND DEVELOPMENT. SPORTS NOT ONLY KEEP US PHYSICALLY FIT BUT ALSO MENTALLY

## KABADDI

Kabaddi is not only a game but an emotion to the Indian origins, it not only requires boby fitness but also smart thinking for smart moves. The students of S.E.A performed extremely well

Senior girls won the 1st match of kabaddi against Hilal school  
Junior boys won the 1st match and second match  
Senior boys defeated Hilal school in their semifinal match

## THROWBALL

Throwball is a sport that not only contain the work of hands to smack but also requires co-ordination and our students were profoundly skilled at this game.

The senior girls of SEA thrashed their opponents opposite to the net, and won the 1st match against little bloom school

## VOLLEYBALL

Volleyball was originally from USA and was invented by William. G. Morgan but still loved and played by the Indians. It is one of the most active and energetic game. It is not only a sport that can be played in street or in schools, but it can also be played in state level. A team of 6 players played extremely well from our school.

**"One man practicing sportsmanship is far better than 50 preaching it"**

## CLASS 1: ACTION SONG

In a fun competition for 1st graders, the kids danced and sang to an exciting action song. They moved with joy and sang happily, making everyone in the room smile and enjoy the show. The little performers impressed the teachers with their adorable voice and actions

### WINNERS

1ST: AARADHANA      CONSOLATION: ANKITHA & ROSELYN

# TALENT EXPO-1 2023-24

All experiments are learning experience even when they don't go as planned

## CLASS 8: SCIENTIFIC EXPERIMENTS. WORKING MODELS WITH EXPLANATION

Scientific experiments are important for kids because they help them learn by doing and understand how things work in a fun and engaging way. Our talented 8th graders not only make excellent models, but also gave fine explanation about their models.

### WINNERS

1ST: AKHILESH M.C      3RD: PAVANI N.B  
2ND: UTTASEH KUMAR      CONSOLATION: RITHIK

SOME GOALS ARE SO WORTHY,  
IT'S GLORIOUS EVEN TO FAIL

## CLASS 10: SPEECH ABOUT THE GIVEN TOPIC

Speech is the expression of or the ability to express thoughts and feelings by using words. The topic given to 10th graders was 'Soldiers are our life savers, and they need to be honored'. The speech activity was held on 26/07/23. The topic selection was based on the Kargil Divas

### WINNERS

1ST: JIGYASA KUMARI      3RD: YUKTHA. A  
2ND: DEEKSHA K V      CONSOLATION: INDIRA A

## CONCLUSION

In the end, Talent Expo 1 was a great success! Kids from different grades showed their talents on stage, and it made them feel happy and proud. The competitions were fun and showed how amazingly talented the kids are. They learned important skills like speaking confidently and working together. Talent Expo 1 was an awesome experience that will inspire and empower these young students.

**I**F You are young and talented, It's like you have wings

-Talent is like electricity. we don't understand electricity, we use it.-

# PARENTS TEACHERS MEETING

27th July 2023

After the commencement of FA-1, the first Parents Teachers Meeting of the year 2023-24 was held on 28-07-2023. From grade 3 to 10. The students were extremely excited, tensed and also bit nervous about their performance in the academics.

Parent-teacher meetings are valuable opportunities for parents and teachers to collaborate and ensure the students' progress and well-being.

**PARENTS TEACHERS WORKING TOGETHER CREATES A STRONG FOUNDATION FOR A STUDENT**

The new scheme of giving badges to the top 3 rank holders of each section of the particular classes was started in this year(2023), the badges were pinned on the students uniform by their parents with joy and proudness. The parents came to the class and discussed with teacher's about their children's performance in class as well as other ECA.

-Trust in the process, don't worry about the results.-
